Petition from the New Zealand Public: SAVE OUR TREASURED PLACES

To the House of Representatives:

We request that the House of Representatives reject any move to mine our national parks, wildlife sanctuaries, marine reserves, protected islands, the Coromandel's beautiful land and waters, and all other treasured places protected by Schedule 4 of the Crown Minerals Act 1991; **furthermore**, we ask that greater legislative protection against mining on the public conservation estate is put in place, to keep safe our collective heritage for future generations.

Signature	Name	Address	**Email address:** keep up to date with our campaign.

Please send completed forms to: Green MP Metiria Turei, Parliament Buildings, Parliament, Wellington (no stamp required) by **7 December 2009**. More information and form downloads at www.greens.org.nz/conservation, or call 04 817-6796 or email: conservation@greens.org.nz.

Local organiser: please prominently mark the suburb/town/area in which you collected signatures when returning your forms. (Parliament does not accept faxed or emailed forms, and signatures must be on the same sheet as the petition wording.)
