

***FMC Bulletin* - guidelines for submissions**

The *FMC Bulletin* invites submission of articles in electronic form from members of affiliated clubs, especially about issues relevant to the New Zealand backcountry or the management of wild lands.

Please do not send trip reports, which are better published in club journals, newsletters or magazines such as *NZ Wilderness*.

Submissions for *Huts as Heritage* must include map and grid reference, history of the hut, bunk numbers and a sharp, well exposed photograph.

Club profiles – see separate information sheet. The editor normally invites a club to submit a profile, but unsolicited submissions will be considered.

Letters to the editor should be less than 250 words.

The editor reserves the right to decline publication, to shorten letters and/or to correct spelling and grammar.

Photos

Submitted photos should be sharp and well-exposed. Please email jpg or tiff files to the email address below. Ideally file size should be a minimum of 500KB, but no more than 5MB.

Please write a small caption which indicates the names of any people pictured, the location and date (year) taken, plus the name of the photographer.
