TO ALL CLUBS

2016 PHOTO COMPETITION

The 2016 Photo Competition was another success and thanks to Shaun Barnett assisted by Richard Young for the work they did. The results were announced in the June Bulletin and the winning Club was Golden Bay Alpine & Tramping Club. The club has already received its prize cheque for \$250.

Once again we have put together a CD for clubs. We have included the entries in each category and there is a separate file with the winners, runners up and Judges Comments. This CD has been sent at no cost to all the 2016 participating clubs.

Those clubs which did not enter this year and would like a copy of the CD please complete and return the order form below. The selection of photos will make for entertaining viewing on a club night. There is a charge of \$10 to cover the costs of duplicating and distributing the CD.

We hope that your club will enjoy the efforts of your fellow trampers and will be inspired to enter the 8th FMC Photo Competition in 2017. The closing date will be in September 2017 - more details will be published in March 2017 Bulletin. Go to the FMC website (<http://www.fmc.org.nz/photo-competition/>) for a club entry form and details about how to submit your entries

Phil Glasson (Photo Competition Coordinator)
