CLUB VOTING – 2019 Executive Election

This year an election is required for the position of: Vice President

The poll is conducted by email. Every club is urged to exercise its right to vote for the Executive and then advise the returning Officer by email of their club's vote.

Information / Profiles on each candidate is available from: <https://www.fmc.org.nz/executive/election-2019/>

Clubs are entitled to exercise 1 vote per 100 members as at 28 February 2019.

Enclosed are the number of Voting papers which matches the number of votes your club is entitled to. Your club may use these if you wish. Every club will organise how it determines the Club's vote in whatever manner the Club Rules provide.

After your club has determined how it will exercise its vote(s) and conducted the voting you need to advise the Returning Officer (FMC Executive Officer) of your club's voting.

This should be done by email.

For Clubs with only 1 vote: Scanning and returning the single voting paper with the vote recorded on it or transferring the details to the Voting Return Form and scanning and returning that form.

For Clubs with more than 1 vote: Adding up the votes cast by your club for each candidate, recording on the Voting Return Form and returning the Voting Return Form to the Returning Officer

Voting details must be returned by email, sent by an Officer of the club, to eo@fmc.org.nz

The results of your clubs voting must be received by the Returning Officer no later than 5:00pm on 17 May 2019.

If you have any questions please contact the Returning Officer.

If you have any suggestions that would improve this procedure in future years we would be pleased to receive them.
