

FMC EXPEDITION SCHOLARSHIPS: APPLICATION FORM

Thanks for applying for an FMC Expedition Scholarship. We welcome all applications, especially those that display a spark for exploration and a search for new experiences.

Please make sure to read the [FMC Expedition Scholarships Criteria](http://www.fmc.org.nz/scholarship) before completing this form and review our Expedition Scholarship webpage: www.fmc.org.nz/scholarship.

Regardless of the success of this application we wish you the best for your adventures...may the wind be always at your back.

YOUR EXPEDITION.

1. What is the gist, the vision for your Expedition?

2. What is your intended route and estimated dates?

3. Who are the intended Expedition members and what are their relevant skills and experience?

4. What risks are associated with the Expedition and how will they be managed?

5. What are you and the other Expedition members hoping to learn from the experience and how will this benefit your club or the wider outdoor community?

6. How you will communicate and share your expedition's experiences/adventures with others in advance of the Expedition and once it is completed?

Note: Drone footage.

Please be aware that if drones are intended to be used, permission from impacted land owners (private or public and including the Department of Conservation) must be sought and obtained first.

7. If you want to include any extra information, (such as links to research documents, imagery, relevant websites), or run out of space in the previous pages, then please include the extra information here.

For clarity, please include the number of the question you are providing more information on.

DECLARATION BY APPLICANT

In making this application, I understand that:

- (i) If I am successful, FMC will use my Expedition to promote outdoor recreation.
- (ii) I will be expected to communicate my Expedition with others as outlined in the application form. Each expedition is required to provide a written report within 3 months of the completion of the expedition. The report must be accompanied with sufficient photographs for publication in FMC's Backcountry Magazine, Wilderlife blog or any other channels that FMC may wish to use. For any drone footage, evidence of permission to operate the drone over the land (and/or people) depicted in the imagery must be provided to FMC on request.
- (iii) The Scholarship is to be used within one year of being received and cannot be used to undertake an expedition that is different from the one described on my application form.
- (iv) That if the above two points and other conditions specified in the Selection Criteria are not adhered to, then the award must be repaid to FMC in full on request.
- (v) FMC is not responsible or liable for any accidents, injury, illness or death should an unfortunate event occur during the Expedition.
