Federated Mountain Clubs is the National Association of tramping and climbing clubs.

There are over 100 groups in our membership and we represent over 10,000 people active in the outdoors.

How to join a club?

If the details of a local club are printed in the box below then give them a ring or go along to one of their meetings.

You can go to our website:

fmc.org.nz/clubs

and there is a list of all our member clubs with their meeting times.

Choose the club that interests you and go along to a meeting.

Many of our clubs have their own website which will give you a good idea of what each club does.

Your local club is:

Federated Mountain Clubs work to:

- Maintain access to the outdoors
- Consult with DOC & NGOs
- Support Clubs
